Dear Mr. Essid,

In support of the Commonwealth's 2007 Strategic Plan for Statewide Communications Interoperability the Department of Game and Inland Fisheries hereby formally endorses the common language protocol. The Department will make every effort to meet goal number two of the plan's mission, "as appropriate, utilize common language, coordinated protocols and statewide standards". We pledge our intent to respond more effectively during day-to-day operations and major emergency situations as stated in the 2015 Vision statement.

Sincerely,
